to be furnished with a draft of the Official Calendar for 1907.

3) In response to the above the Muzrai Secy has now sent a Kannada draft of the Official Calendar for 1907. English copy of the same will have to be made & checked with the standing orders on the grant of Govt holidays. It is requested that a week's time may be given for this work. 4) English draft of the Govt Calendar for the next year (1907) has been prepared & submitted for approval. The draft (Kannada) sent by the Muzrai Deptt was defective in several particulars and all these have been rectified.

As regards the total number of sanctioned holidays and to 29th of that month. In the present draft 26th has been adhered to. Orders are now required if the ~~[illegible]~~ date in the draft may stand.

7) The Palace Officer has to be requested to say when H.H's birthday falls in June next. In the draft, that event is noted against 22d Saturday. A draft (3) to the Palace Deptt on that point is put up for approval. The Current Hindu Year's Palace Panchang has been followed in fixing the holiday on acct ~~of~~ the installation of H.H. If ordered that point (4) will also be included in the draft enquiry to the Palace Officer. So also for the Madhwa Navami in January next. In the draft put up by the Muzrai Deptt this is noted against both 22d and 23d January with the remark that a few of that

Mr Page (Supdt, Genl Branch) has revised the Christian holidays and Mr Wahid Ali Khan (Clerk, Genl Branch) has revised the Mohamadan holidays

5) In the present draft, under the month February 1907, the "general holiday" last day of the Moharrum has been noted against 24th Sunday. But it may ~~be~~ go back to 23rd Saturday provided the moon is visible on 14th Thursday previous. The date in ~~the draft~~ may provisionally be [illegible] sanction- — g S

(b) That in view of the fact that during the Dassara and Christmas holidays the offices are kept open and also in consideration of the fact that the work now devolving on the Sectt office is far heavier than before the re-organization, it is requested, very respectfully that the practice of closing the office on the last or any other Saturday of every month may be revived. G.O. no × 6801/Mis 129 dated 12th Decr 1896 abolished this practice. No orders were passed on last year's ×representation. Early orders on the present case are requested that the list of Judicial Holidays may be sanctioned and issued in time.

That file is linked for orders. Orders are also requested whether the

Sect observe it on the 22d and others on the 23d. As the main portion of the chandramana day Navami falls on the 22d and as I learn from some Madhwa Pandits in the City, that ~~the~~ Madhwa Navami is observed in main "Thithi". Accordingly in the English draft Madhwa Navami is marked against the 22d and not on the 23d. This point also may, if ordered, be made clear by a reference to the Palace Pandits through the Palace Office (5)
